## McTaggart clan marks 200th year

BELLEVILLE — At the recent McTaggart gathering held here recently, over 450 descendants of Cpl. James McTaggart, UE Loyalist, met in his honor.

It was the 200th anniversary of the arrival in America of the pioneer Prince Edward County settler who was born in Galloway, Scotland, in the year 1754 and came to America on the ship "Gale" in 1774.

The descendants came from all over Canada to celebrate — BC, Alberta, Saskatchewan, Manitoba, Quebec and many parts of Ontario, as well as New York, Michigan and Florida states.

A highlight of the "gathering" was the early morning memorial service at the graveside of first McTaggart ancestors in an old cemetery in Sopiashburgh Township, near Picton. Led by stirring bagpipes played by Douglas Burns of Belleville, the large crowd circled the graves. They had arrived in a cavalcade of over 50 cars.

Keith McTaggart, chairman of the organizing committee, and Mrs. Loral Wanamaker, placed flowers on the graves. James McTaggart died in 1843 age 89, and his wife Nancy Cooley died in 1844, age 84. Their white marble slabs stand erect after all these years.

Devotions were led by Rev. Samuel P. Bowman, and his son Alvin, both of North Branch, Mich. The lament was played on the pipes. Mr. Bowman displayed a Bible brought over by his ancestor 200 years ago which was printed in the 1600s. He brought a timely message on the brevity of

life and the swift passing of time, and the promise of eternal life.

Mr. and Mrs. Loral Wanamaker were recipients of gifts in appreciation of the great effort they made in planning the affair. Their book the McTaggart Family Record of over 250 pages was well received. Many guests enjoyed tracing their genealogy from the eight sons and two daughters born to James and Nancy McTaggart.

The branch of John McTaggart, born in 1793 in Canada, won the award for having the most branches, limbs, twigs and leaves at the gathering.

## Hold the line

KITCHENER (CP) — The pricing committee of the Ontario Egg Producers' Marketing Board decided late last week to hold the line on prices, board chairman James Johnstone said Tuesday.

Mr. Johnstone said the action was taken despite obvious need for an increase in prices paid to producers because of sharply rising feed costs.

Mr. Johnstone in an interview denied published reports that the Ontario government had overruled a decision of the pricing committee to increase the price of Grade A Large eggs by three cents a dozen.

with the Soviet Union, and the Presi-  
dent would have a letter-treaty about it  
with the U.S. Senate.

What's going on here? Our Secretary  
of State is supposed to represent the  
whole U.S. Government in foreign  
policy dealings, not the Executive  
branch; he is not the middleman  
between certain U.S. interests and cer-  
tain Soviet interests. The U.S. Senate is  
supposed to advise and consent on  
treaties made by the President, not to  
enter into treaties with the President  
about its understanding of unwritten  
understandings with foreign powers.

Undoubtedly, this warping of the  
American foreign policy process is  
rationalized as a necessary device to  
make a humanitarian deal work, to  
help the Soviets save face.

In fact, when the Soviets decide on  
the substance of a deal, the form is not  
all that significant. They have been  
denying the harassment of would-be  
emigrants all along; in a controlled  
press, it would hardly be humiliating  
for the Soviet Union to issue a pronun-  
ciamento condemning harassment as  
contrary to Soviet law.

This again is not the case. At least  
four monthly newsletters mentioned  
the corporation and asked each time  
that, if there were any questions, I  
would be happy to answer them or in-

It became quite clear in the two

not all the people who signed the peti-

exactly what they were signing. I  
would even go so far as to say that the  
people who circulated the petition  
were not completely knowledgeable of  
corporations and were hardly in a posi-

ramifications of this Corporation. This  
Band Council, more than any previous  
Reserve Council, has tried to inform  
the people of its actions, as evidenced  
by the monthly newsletters. It seems  
that simply because the company is

Dear Friend Burliegh;

Shawville, 28th Sept., 1974

Thank you for two recent letters. In yours of Sept. 2nd you made reference to the proposed trip down the Mohawk River to Schoharie. I was in Ottawa yesterday and had a chat with my friend Dexter Hawn, Genealogist and well-versed on German Loyalists. He said he would like to go with us but could not leave this Fall. I am in the same boat. Could you wait until next Spring and we will go with you. It would be great country to travel in at that time of the year and could make it some long week-end. There are records at Fonda, old Fort, Schoharie, MiddleBURGH, and St. Johnsville.

Ruby and I have made a deal on a little house in Bloomfield and the seller has agreed to stay on and rent the place until we need it which will be after my 65th birthday in 1976 (March 17th). This will be only about 25 miles from Bath. We both like Bay of Quinte area and look forward to settling there - and away from Quebec.

Dear Friend Burleigh;

Ruby & I plan to attend the McTAGGART GATHERING next Sunday and spend a day or two in the Bay of Quinte area. We are starting to look for a place in and around Prince Edward County as a retirement haven. I will be going on my Canada, and O.A. Pension a year from next March. We both have relatives in the B of Q district, think it is much warmer there than here, and it is closer to the research centers of Toronto, Kingston, Belleville. I plan to try to fill in the many gaps in records and possibly do a little Genealogical writing and publishing in my "old age". My wife has become a "Gardening Bug" so this is another reason for wanting a warmer climate.

We may drop in to say "hello" on our way down to Kingston on Monday or Tuesday. Will phone first.

The Wanamakers are getting the "McTaggart Record" printed in Kingston and was promised the job for the 7th (tomorrow). I am anxious to see it as I started it all many years ago. \$10.00 by mail - and \$1.00 less by hand.

Hope you folks are well.

Best regards,

  
Gord.

The old McTAGGART Bible was found in an attic of an old house in Western Ontario and is in very good condition despite its' age - 160 or more years. It is now in possession of Mr. & Mrs. Loral C. Wanamaker of Rossmore, Ontario. The Bible appears to have been left to eldest son and heir in each generation; viz:- Corp. James McTaggart, 1754-1843, U.E.Loyalist; his son-Peter McTaggart, 1778-1841; etc. Peter was born in Albany vicinity and (N.Y.) came to Canada ca 1786 with brother Samuel as children. Peter seems to have returned to the States, married Susannah..... but died in Canada. Census records for several of his children state they were born "in U.S." This probably accounts for lack of data in in Bay of Quinte records on Peter and Susannah McTaggart.

Remarks

- the death notices of Peter, Hiram, and Phoebe McTaggart on page 4 two are of children of Peter and Susannah. They were likely also the parents of George McTaggart, 1817-1879, of Tyendinaga, who was my Great Grandfather.
- please note that the list of children in Bible does not include Richard McTaggart, a son who was Baptised by Rev. Robt. McDowell at Fredericksburgh, April 30, 1796 and died a few days later on May 2nd. (O.H.S. "Papers & Records" Vol.I)
- The numerous McDowell persons in Shawville area pronounce their name with emphasis on forepart of name- i.e. Mc DOUGH-l. It is notable that James McTaggart pronounced it the same way although his spelling of McDoall is rather erratic.
- I understand that clergymen in those early days made a few extra dollars by importing Bibles and selling them to persons in their congregations.

Handwritten text on a lined page, likely a ledger or notebook. The page is divided into columns by faint vertical lines. The text is written in cursive and is mostly illegible due to fading and blurring. The page is yellowed with age. The text appears to be organized into rows and columns, possibly representing a table or a list of items with associated values or dates. The handwriting is consistent throughout the page, suggesting it was written by a single person. The page is part of a bound volume, as evidenced by the edges of other pages visible on the left.

NOTE: The information contained in this paper is based mostly on facts but, in some instances, on assumption through a study of factual data. Therefore there may be, from time to time, errors and omissions, and, I hope, many additions.

There is two things that is peculiar to the McTaggart family. Firstly their love of wandering. It would not be surprising if descendants of the persons herein are living in every Province in Canada, and each State of the Union. Another thing I notice is their ~~long~~ longevity.

Colonel Claus to Secretary Knox

Montreal 16 Oct<sup>r</sup> 1777

(Description of activities during 1777, including DeLafayette's movement to Oiskany.)

P.S.

Before I left Oswego, I ordered three of Col. Johnson's Indian Officers to reside in the Six Nation country. They are people well liked, intimate and held in esteem by them. Their residence is to be in the Seneca and Cayuga Towns. I gave them ample directions & instructions in writing, how to act, and endeavour to prevent any intercourse with them and the rebels, and as much as possible promote His Majesty's interest among them, and making them sensible of the advantage and satisfaction they have, in being plentifully supplied in merchandize by the Traders, by means of the King's ship cruising in the Mouth of the River St. Lawrence to prevent the Rebel ships from interrupting that trade

McCARTY - MARTYR

Rev J. Stuart's Letter to Bishop Inglis

1 March 5, 1790

Two Itinerant Preachers, of the Methodist Class, are now in this Settlement. - the one is called McCarty, the Parson I mentioned to you; - he is an illiterate Irishman, and a man of an infamous private Character. - I think, we will be able to banish him for Crimes of a heinous nature. - The other is just arrived, his Name is Dooley - he says he has been in Nova Scotia & pretends to be acquainted with you. - He has the same Recommendation as the other; that is, he has formerly been a Man of a very bad moral Character. But his Conversion is therefore the greater Miracle, and he will be the better able to preach experimental Doctrine. - I have taken no steps to oppose either of them; being well convinced, that their Reign will be short, if they cannot provoke Persecution.

& Caten connection.*

Dear Friend Burleigh;

Your most welcome letter of the 13th has been received and is appreciated. To you and yours I wish a satisfying New Year. It will be a busy 1973 for me as Shawville will be celebrating its' 100th birthday. As President of the Pontiac Historical Society I will be much involved. Our Chief project will be a permanent County Museum housed in the old abandoned Railway Station here. Along with others I want to "dress-up" for the occasion. I have hopes of getting a silk hat in Ottawa but would like an old fashioned man's "Cape" to match. Have you any idea where I could pick one up (borrow) for one week in July? I would be willing to pay for use of same plus shipping costs to and from here. Please advise.

I was pleased to hear that you are putting material in book form with three editions being prepared. Please let me know how I can help. Sorry to report that my boss consistently rejects orders for books and publishing. We simply do not have the equipment or the space necessary for this type of work. I believe that there is now several small publishing houses which print Canadiana in Ontario. The Librarian at Queen's may supply names and addresses.

Enclosed find the following:-

- (a) Photocopies of 3 pages of very old McTaggart Bible-plus my notes.
- (b) " 2 pages of Fitchett Bible records- plus my notes.
- (c) 2 typed Lineage Charts showing names & dates I need.

I appreciate your offer of searches by you and your daughter and will try to respond by sending items of interest in exchange. I will keep in mind the request for 1819 Bath/Ernestville application. In this connection have you searched the old Post Office Records now in Archives at Ottawa? I found therein a petition to have a P.O. at Grieve's Corners with Map of area as supporting document (1875). Will send zerox copies if you wish. Also I have had correspondence with a Dept. in Ottawa which has huge files on origin of name places in Canada. I wrote to them re Crouse Island in Parry Sound ~~xxx~~.area. To my great surprise ( and pleasure) I found it was named for my brother killed in Italy in War II. They sent me his service record taken from casualty lists. They did the same for Grieve's Corners which now appears just south of Roblin on Official Ontario Government large scale maps ~~fixmike~~ (8 miles to 1").

In 1973 I expect to get my ancestral lines in better shape. Also hope to do much research at home by purchasing microfilm & reading same on portable reader I have on order from U.S.A. *Genealogy- the most Fascinating Hobby in the World!*

*Best regards, Gord*
